

## **Agricultural and Gardening Plastic Supplies that can be recycled**

Many supplies used in the agricultural, gardening and ranching industries are made of plastic and/or nylon, some of which can be recycled. **Agri-Plas, Inc.** of Brooks, Oregon recycles agricultural plastics such as nursery pots and trays, ground cover, seed sacks, plastic binder twine, triple-rinsed pesticide containers and greenhouse film. For a list of items they accept, go to their website at [www.agriplasinc.com](http://www.agriplasinc.com). Agri-Plas does NOT accept PVC products.

**Linnton Feed And Seed**, located at 10920 NW St. Helens Rd. Portland, OR 97231 has a collection barrel for the recycling of agricultural plastics that is taken to Agri-Plas, Inc. for recycling. Linnton Feed and Seed does not accept PVC nor household plastic products. For more information about Linnton Feed and Seed in NW Portland, you can call them at (503) 286-1291 or go to their website at [www.linntonfeed.com](http://www.linntonfeed.com).

To recycle PVC pipe and other PVC products, contact **Northwest Polymers @ [www.nwpoly.com](http://www.nwpoly.com)** or (503) 829-3550. They are located at 291 Commercial Parkway, Molalla, Oregon 97038.
